Dear Mr. Hyde:

On behalf of the American Cancer Society, I would like to thank you for your generous donation. Your contribution will help the American Cancer Society continue with its fight against cancer by providing funds to support more cancer research, early detection and prevention programs, as well as services to improve the quality of life for cancer patients and their families in the Acadiana area.

Every dollar raised for the American Cancer Society is a strike against cancer. This year, more people than ever will survive cancer and fewer will hear the words "you have cancer." Although we have made tremendous strides, in Louisiana more than 23,360 people are expected to be stricken with the disease this year and 9,350 people will die. Cancer is a disease that affects almost every person in every community in some way.

Again, thank you and we look forward to your continued participation and support of the American Cancer Society.

For cancer information 24 hours a day, 7 days a week, contact your American Cancer Society at 800-ACS-2345 or visit us on the Web at www.cancer.org.

Sincerely,

Chantel M. Ronquille
Executive Director
